Interested in a city career you can do from home? Anti-Money Laundering Compliance Coach (Trainee)

Do you live in Lewis or Harris?

Could we interest you in one of the 20+ AML Compliance careers we plan to create in the Western Highlands and Islands by May 2027?

You will join a fun-loving bunch. Although we all work remotely, you will build strong friendships and connections across Scotland.

If successful, you will join a group of three other trainee AML Coaches on a starting salary of £26,500. After completing your basic training, which lasts four to five months, your salary will increase to £28,000 for the remainder of the first year. By the end of year one, you will be a fully qualified AML Coach, and your salary will rise to £32,000 at the start of year two.

You will enjoy the best of both worlds. You can continue living in a beautiful part of Scotland while pursuing a fulfilling career in AML Onboarding for legal firms in Edinburgh, Glasgow, and possibly London and beyond.

We are a software company that has developed specialised AML software to help legal firms meet their AML obligations. Our AML Onboarding team uses this software to provide an outsourced AML onboarding service to legal firms across Scotland.

There is high demand for this service, and we will recruit groups of up to four people every three months throughout 2026 and 2027 to meet it.

We are now recruiting for our 2nd Cadre of four, who will start with us on Monday, the 15th of June. Those who pass the initial interviews will be invited to a "Getting to Know You" day at the UOG's offices in South Galsion on 20th April 2026.

If a June start will not work for you but you're interested, get in touch and, if successful, we will reserve a place for you in one of the groups starting later in 2026.

Kind regards
